NORTHERN ALBERTA JUBILEE AUDITORIUM

PROGRAM

Procession

The audience will rise as the Procession enters and will remain standing until the Invocation has been pronounced.

The Invocation

Reverend E. J. Thompson, M.A., PH.D., D.D.

O gracious and Eternal God, the source of all our strength, our light, and our life; in all humility and reverence we invoke Thy presence upon this Special Convocation and Thy blessing upon all that we say and do. We recall with gratitude the vision, the work and the sacrifice which have made possible the existence and development of this University, and especially those through whose foresight and labour this Faculty of Medicine was established. We thank Thee for all who have taught and served in the art of healing. We rejoice in all that has been accomplished through study, through disciplined mastery of techniques and methods, through research and because of faithful devotion to the maintenance of the health of mankind. As we engage in these Jubilee Celebrations, rejoicing in the accomplishments of the past, challenged by the possibilities of the future, may our minds be opened to a broader understanding and our hearts enlarged with a deeper concern for the needs of our world. Grant such insight, such quality of mind, such enlarged vision, such courageous faith to all who come here that Thy gracious purposes may be fulfilled, and all mankind be helped. Hear us in these our prayers and bless us through Jesus Christ our Lord, in whose words we pray:

'Our Father, who art in heaven, Hallowed be Thy Name,
Thy kingdom come, Thy will be done, in earth as it is
in heaven. Give us this day our daily bread; and forgive us
our trespasses, as we forgive them that trespass against us;
And lead us not into temptation, But deliver us from evil. For
Thine is the kingdom, the power, and the glory, For ever
and ever. —Amen.'
